DESIGN NAME & CATEGORY

SAME NAME, DIFFERENT SLEEPER

The pictured design names also appear in Comfort Sleeper and Today Sleeper. The name identifies a styling family; the sleeping system, sofa dimensions and available sizes change.

COMFORT SLEEPER

Uses a separate mattress on the Tiffany 24/7 platform, with an 80-inch sleeping length. Mattress thickness depends on the frame. Do not use its dimensions for Silver or Today.

SILVER SLEEPER - THIS GUIDE

The fall-away back becomes part of the mattress. Four-inch foam or cooling-gel-topped foam choices. The supplied sheets show 82-inch open depth and Twin, Full, Queen and Queen Plus sizes.

TODAY SLEEPER

The seat cushion doubles as a mattress section. Four-inch HR foam mattress; the sheets show 87-inch open depth and Cot through King sizes.

CUSTOMIZE THIS COLLECTION

Approved leather/fabric; two-tone body versus seat/back cushions. Applicable wood finishes: Dune, Ebony, Mink or Oiled Ash. Leg height and cover restrictions vary by design.

ORDER BY COLLECTION + DESIGN

Specify, for example, Alora Silver Sleeper rather than Alora alone. Confirm the full frame code, mattress size, room access and written warranty. Measurements on these cards apply to Silver Sleeper only.

Supplied manufacturer sheets | W width; D depth; H height; SH/SD seat height/depth; AH arm height.
Ranges span variants; widths are sample pieces. Confirm exact frame, cover approval and written warranty before ordering.
